Are you sure $3+4=10$?

Just take it slow and easy!

Brief were my days among you, and briefer still the words I have spoken.
But should my voice fade in your ears, and my love vanish in your memory, then I will come again.
And with a richer heart and lips more yielding to the spirit will I speak.
Yea, I shall return with the tide.

And though death may hide me, and the greater silence enfold me, yet again will I seek your understanding.

And not in vain will I seek.

If aught I have said is truth, that truth shall reveal itself in a dearer voice, and in words more kin to your thoughts.

Although this year's Cross Country Team was not as large as the 1980 team, it rated high in quality. With only 2 returning members (John McCarthy and Tom Silveria) the team lacking only in experience. Lead by conference all-star John Powers and John Curcuru, the boys won three of the last four meets, losing the fourth by only 2 pts.

Since the entire squad will be returning next season, Gloucester is expected to be among the top of the conference for 1982.

The G.H.S. girls Tennis Team had a very successful season. The team achieving a 10-8 record, placed 5th in the Northeastern Conference overall.

The team consisted mainly of seniors who filled most of the varsity positions. At first singles was Tricha Philpott, 2nd singles Jenny Fatta, 3rd singles was shared by Michelle Mineo and Faye Linquta. At first doubles was Jennie Ciolino and Julie Oakes, in 2nd doubles were Kara Mullin and Debbie Giacalone. Also playing this position were Dawn Rochford and Kendyll Pickette.

As well as being a very competitive season, it was a lot of fun. A very special thanks goes to the girls coach, Tammy Mentus.

Golf Team

The 1981 Golf Team proved to be a surprise for rookie coach Joe Billante. The Fishermen were picked to finish near the bottom of the Northeastern Conference but with great individual effort the team finished in second place.

Individuals who performed well were: Capt. Chris Davis, Mike Connors, Tom Lupo, Joe Aiello, and Gary Horne. Paul Marques, Scott Jones and John Sperry won some key points to help salvage important wins for the freshmen.

The Fishermen were rewarded for this successful season by qualifying for the Mass. State Tournament.

Hasty Pudding

In this, its year of inception, the Hasty Pudding Club has proven to be a worthy and valuable component of Gloucester High School. The group, advised by High Satirical Mentor, Erik Dahlgren, has on many occasions over the duration of the past year, been meritoriously present at several athletic events in the guise of full regalia. Marked by the wearing of two different shoes in addition to a mask, the attendance in full regalia of athletic events, and the deliverance of a verbal demonstration of aptitude in a court ceremony, entrance in the Hasty Pudding Club has in the past been a moving experience. It would appear, as a result of its collective virtues, for all intents and purposes, that the Hasty Pudding Club shall remain in years to come a sovereign organization.

Junior Rotarians

The Junior Rotarians, under the guidance of Mr. Frederick White, were chosen among the members of this year's senior class. These students must attend regular monthly Rotarian meetings and each member must deliver a speech to the Rotarians telling of their extracurricular activities in and out of school.

Carlton Geary, Ed Pasquina, Jim Wheeler, Bob Wadsworth, Joy Orlando, Kathy Banks, Justine Curley, Sharon Fortado, Alex Bentley, Jeff Gove.

G.H.S. Thespians

Present Guys and Dolls

On November 20, 21 and 22 the Fuller School Stage was alive. The GHS Thespians rendition of Damon Runyon's musical fable, *Guys and Dolls*, was a fun-filled event full of shady but delightful gamblers, hot box strippers, and Salvation Army missionaries. Suave Sky Masterson (Larry Cook) the consummate gambler makes a bet with Nathan Detroit (Tim Geary) that he can take the head of the missionary, Miss Sarah Brown (Erika Hansen) on a date with him to Havana. Romance inevitably follows and the two opposites fall in love. Nathan meanwhile has been engaged to the main dancer at the hotbox Miss Adelaide (Eileen Fitzgerald) for 14 years. In the end love triumphs over gambling as Sarah and Adelaide vow to "Marry the Man Today."

STUDENT ADVISORY COUNCIL Steph Sallah, Meg Montaginino, Cathy Reardon, Doug Bedell.

The Student Council became increasingly involved in all aspects of student life this year. The year was filled with events and activities that related to the educational, social, and communal life of Gloucester.

In 1982, Council members ran a School Committee meeting and participated in each School Committee meeting through its Student Advisory Council. The proposal to weight grades at G.H.S. was initiated by the Student Council. Members also took part in the State Advisory Council and Student Government Day dealing with issues of state and national importance. With Student Council assistance a Government Internship program was also planned. Council members can be very pleased with their accomplishments.

It was not just a year of all work and no play however. Spirit Week got off to a slow start but finished with an outrageous "Outrageous Day." A costume dance featuring "Points North" was a great success. The Council also hosted the Faculty-Student basketball game that left the Faculty All-Starts tired and worn but triumphant.

A high point of the year has to have been the Community Courses Day. When residents of Gloucester came to the high school to share their expertise and talent with the students. The hard working "Blood Drive Committee" did an outstanding job of draining the student body. Gloucester High School can be proud of its "living" gift to the community. Not to be forgotten is the "musical event" of the season when Council and Chorus members caroled at the elderly housing projects throughout the city at Christmas time.

Congratulations on a terrific year!!!

German Club

All students currently or previously involved in the German program at the High School are eligible to become members of the German Club. The Club was formed for two reasons. First to encourage the learning of German language and culture in a setting outside the formal classroom, and secondly, to develop a positive friendly relationship among students in the various German classes. Each year at Graduation, the club offers a scholarship to a graduation senior. This year we have had German speaking evenings (dinner parties), talks by Katja Frank, the German exchange student, the tutoring program and we attended a German movie in Boston. In addition, the club is working towards promoting the German Overseas study trip for 1983. The officers for the 81-82 school year are: Tricia Malone — President, Diane Doyle — Vice President, Cathy Reardon — Secretary, Treasurer and Mr. Richard Chane, Faculty Advisor.

Steve Tebou, Scott Jones, Jim Wheeler, John Ericson, Tom Hall, Doug Bedell, Martha Brennan, Shelia Hall, Mr. Sperry, and Mara Lambert.

Math Team

The 1982 G.H.S. Math Team proved once again that not all students despise math, they even gave up all or most of their free time to improve their skills. The 1981-82 Math Team included seniors Doug Bedell, Jon Ericson, Steve Tebou, and Jim Wheeler.
